## Rockefeller Center

A New York City landmark for nearly 75 years, Rockefeller Center is located in the heart of Manhattan. The complex is home to broadcast studios, dozens of shops and restaurants, an outdoor ice-skating rink, Radio City Music Hall, and, of course, one of the most famous Christmas trees in the world.

## Top of the Rock

There's a certain peace at 70 stories above the city, and TOP OF THE ROCK™ Observation Deck was conceived with the express purpose of keeping that peace uninterrupted. Panels of fully transparent safety glass — the only thing between our visitors and the city — are crystal clear for unobstructed, open-air viewing. Our reserved-ticketing system is designed to ensure the deck is easily accessible and the experience is always amazing. The view itself is unique and astonishing. Unobstructed for 360 degrees from the 70th floor, the breathtaking landscape stretches for miles in every direction. It includes a panorama of Central Park and the northern half of Manhattan that cannot be found anywhere else. New York's other landmarks are visible as well, including the Chrysler Building, Times Square, the Hudson River, the East River, the Brooklyn Bridge, and the Statue of Liberty. It is, quite simply, the most spectacular view in New York City. TOP OF THE ROCK™ Observation Deck, open 365 days a year, is the ideal perch to watch the seasons unfold or simply to take in an amazing sunset.
